Due to the length of this service and the journey time, it is necessary to operate as a **LIMITED STOP** service (ie, not to serve all bus stops en-route).

All stops listed on the timetable opposite in **bold** are places the bus will stop, regardless. All other points are **REQUEST STOPS** - a clear signal should be made by passengers already on the bus or by the roadside that they want to board or alight.

Other points en-route not listed on the main timetable, BUT WHICH ARE RECOGNISED AS REQUEST STOPS should passengers indicate they wish to get on or off, are:

- BP Garage, Cheltenham Road, Longlevens, Glos
- Opposite Police Station, Lansdown Road, Chelt
- London Road, junction with Hewlett Road, Chelt
- Sherborne turn (A40)
- Inn for all Seasons, Barrington turn (A40)
- Tower Hill and Newland Mill (Oxford Hill), Witney
- Evenlode pub, nr Eynsham turn (A40)
- Junction. St. Margarets Road/ Woodstock Road, Oxford
- Opp. Royal Oak Pub, Woodstock Road, Oxford

Any other stops for boarding and alighting other than those on the main timetable and those listed above are solely at individual driver's discretion. Swanbrook will not be liable for non pick-up/set down at any stop other than those listed opposite and above.

^(R) All westbound journeys at and beyond Andoversford will be set-down stops only, and there is no facility for passengers to board at Andoversford and travel to Cheltenham or on to Gloucester. Set-down requests for stops beyond Andoversford must be made when passengers board.

NB: All stops listed on the timetable IN BOLD are places the bus WILL ALWAYS STOP. All other (non-bold) points are REQUEST STOPS - a clear signal should be made by passengers on the bus or by the roadside that they wish to board or alight (+ see opposite).
